## Book your COVID-19 vaccine at a vaccination clinic

Use this service to book a COVID-19 vaccination appointment for your dose 1, dose 2 or booster dose. You can book an appointment up to 7 days in advance.

You will not be vaccinated if you have not waited the recommended time:

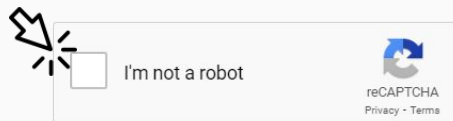

- since your last vaccine
- if you had COVID-19 recently

If you are not sure how long you need to wait, [read what you need to know before booking a COVID-19 vaccine appointment.](#)

To book your appointment, select a clinic and a date and time that works for you.

Zaznacz, aby  
przejsć  
uwierzytelnienie:

*through this booking system is used to book a vaccination appointment for you or your child and we can identify you correctly against your Individual Health Identifier (IHI). By booking an appointment you are acknowledging for your data, or the data for your child, if under 16 years, to be used for this*

## COVID-19 clinic type

Book the correct clinic for you or your child's age group. The vaccines offered are different depending on the age of the person getting their vaccine.

Please select the relevant age group for the person who is getting vaccinated.

**Wybierz grupę wiekową:**

5 - 11 years **5-11 lat**

12 - 29 years **12-29 lat**

30+ years **30+ lat**

For people under 16, a parent or legal guardian must also attend their appointment and give consent for their vaccination.
